REAT CURE DR LELAND'S ANTI-RHEUMATIC BAND

IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Neuralgia, AND A SURE CURE FOR All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Watst, without injury to the most delicate persons; no change in habits of living is required, and it entirely removes the discase from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in scery instance a perfect cure, and restoring the parts afflicted to a healthy condition. This Band is also a mostpowerful ANTI-MERCURIAL agent, and will entirely relieve the system from the permicious effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its days, and we are constantly receiving testimenials of its efficacy in agravated cases of long standing.

Pater \$2,00, to be had of Druggists generally, or can be sent by mail or express, with full directions for use, to any part of the country, direct from the Principal Content.
